

General Urologist Regina, Saskatchewan

Posting Date: June 27, 2023

Remuneration: Fee For Service

Duration: Permanent Full-time

Language of Work: English

Position Profile:

Saskatchewan Health Authority is seeking a team-orientated and highly skilled Urologist to join its Department of Surgery, Division of Urology in Regina, Saskatchewan, in a fee-for-service setting. Candidates with experience or training in Reconstructive Urology or in Men's Health will be given preference.

Guaranteed weekly OR access and a generous amount of procedural time in the ambulatory care and endoscopy units will be available to the successful candidate upon arrival. The program is complimented with a high-quality Anesthesiology program and a day surgery unit which has extended hours for patient recovery. The arriving specialist would share in a minimum of a 1 in 5 call rotation.

The successful candidate will be expected to demonstrate experience and training in Urology, appropriate for an academic tertiary care level referral centre. The candidate will be expected to show evidence of interpersonal and collaborative skills with initiatives to further advance the clinical and academic productivity of the SHA. Commitment and demonstrated interest in research and surgical education at all levels are expected.

Call coverage is a requirement for the position. In addition to fee-for-service, you would be eligible for any on-call retainer consistent with the Specialist Emergency Coverage Program.

The Community:

Regina is the capital of Saskatchewan, Canada and is a beautiful oasis on the prairies with a steadily growing population exceeding 250,000. According to MacLean's Best Communities in Canada 2019, Regina came in second in the Prairies and 74th across the country, scoring well in population growth, commute, amenities and culture. Regina was Canada's 33rd fastest-growing community in 2019, adding 12.7 percent more residents over the past five years. Regina is known for its generous, friendly people and rich community pride. This welcoming prairie city has an abundance of parks, sports and recreational facilities, bicycle pathways, family attractions and an exceptional quality of life. The United Nations have awarded Regina as a 'Tree City of the World' for the second year in a row. (www.regina.ca).

The Saskatchewan Health Authority:

The SHA is the largest organization in Saskatchewan, employing over 44,000 employees and physicians responsible for the delivery of high-quality and timely healthcare for the entire province. We are driven by the commitment to improve frontline patient care for Saskatchewan people, and we are working together to better coordinate health services across the province to ensure that patients receive high-quality, timely healthcare wherever they live in Saskatchewan.

The SHA supports a shared commitment to a Representative Workforce that is respectful and inclusive of all staff and clients. We welcome applications from those who will contribute to the diversity of our community.

Qualifications:

- The ideal candidate will hold certification or be eligible for certification from the Royal College of Physicians and Surgeons of Canada in Urology.
- This individual should be a team player, be able to interact effectively with patients, colleagues, staff and management, and function well in a high-volume environment with a commitment to the provision of high-quality patient and family-centred care.
- Candidates should be eligible for provisional or regular licensure through the College of Physicians and Surgeons of Saskatchewan.

In accordance with immigration requirements, preference will be given to Canadian citizens and permanent residents of Canada.
