

**Division of Urology, Sprott Department of Surgery, University Health Network
Clinical Associate Term (1-year)**

The Division of Urology in the Sprott Department of Surgery at the University Health Network (UHN), Princess Margaret Cancer Centre, are accepting applications for the position of Clinical Associate Term (1-year). The individual we seek will have advanced training and skills through formal fellowship experience. Preference will be given to candidates with oncology and/or robotic training.

The effective date of this position is July 1st, 2025.

The successful candidate would be a surgeon who holds a MD degree and certification in Urology from the **Royal College of physicians of Canada** or recognized equivalent certifying body. The individual must be eligible for licensure with the **College of Physicians and Surgeons of Ontario**. All candidates must be proficient in English.

Applications will be accepted until April 15th, 2025. Interested individuals should send a copy of their letter of interest, curriculum vitae and names of three referees to:

Dr. Antonio Finelli,
Head, Division of Urology
University Health Network
antonio.finelli@uhn.ca

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

The University Health Network embraces Diversity and is building a culture of belonging that increases our capacity to effectively address and serve the interests of our global community. We strongly encourage applications from Indigenous peoples, Black and racialized persons, women, persons with disabilities, and people of diverse sexual and gender identities. We value applicants who have demonstrated a commitment to equity, diversity and inclusion and recognize that diverse perspectives, experiences, and expertise are essential to strengthening our academic mission.

The University Health Network strives to be an equitable and inclusive community, and proactively seeks to increase diversity among its community members. Our values regarding equity and diversity are linked with our unwavering commitment to excellence in the pursuit of our academic mission.

The University Health Network is committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities.
