

Urologist
Regina, Saskatchewan Canada
Exciting Opportunity for Urologists – Competitive Pay, Work-Life Balance & Family-Friendly Living

The Saskatchewan Health Authority is seeking a team-orientated and highly skilled full-time or locum Urologist to join its Department of Surgery, Division of Urology in Regina, Saskatchewan. Candidates with experience or training in Robotics procedures will be given preference. Guaranteed weekly OR access and a generous amount of procedural time in the ambulatory care and endoscopy units will be available to the successful candidate upon arrival. The program is complimented with a high-quality Anesthesiology program and a day surgery unit which has extended hours for patient recovery. The arriving specialist would share in a 1 in 5 call rotation.

By joining our dynamic and growing Department of Surgery in Regina, you'll benefit from:

- **Highly Competitive Compensation – Full time:** Flexible compensation through a generous fee-for-service and contract model, designed to optimize your earning potential. **Locum:** Remuneration is competitive for this locum and is based on a daily rate of \$2,696.09. The Saskatchewan Health Authority will cover the cost of flights, car rental and temporary accommodations.
- **Predictable Hours & Work-Life Balance:**
- **Academic & Research Opportunities:** Join the [University of Saskatchewan's Surgery faculty](#), contributing to training the next generation of physicians.

Why Choose Regina?

- **Affordability & Economic Advantage**– Regina offers one of the lowest costs of living in North America, providing better housing options and a significant economic advantage for you and your family.
- **Top-Tier Education** – Access to excellent top-rated [public](#), [catholic](#), and [private](#) schools, [colleges](#), and the [University of Regina](#).
- **A Thriving, Family-Oriented City** – Enjoy Regina's Safe neighbourhoods, beautiful parks, vibrant cultural scene, and outdoor recreational activities, all within a welcoming and diverse community. For additional details, visit:
