

Urologist

Surrey Memorial Hospital – BC, Canada

The Fraser Health, Surrey Memorial Hospital Urology Group is looking to add a member to their current four members due to the impending retirement of a colleague. The new member will share elective OR resources with the current team, as no additional resources are provided with this position.

The Surrey team is seeking an individual who provides care in general urology, with a wide range of skills from oncology, which includes complex procedures such as radical cystectomy, prostatectomy, kidney cancer procedures to reconstructive procedures such as sling and sphincter placement with further expected abilities for common on-call duties. Active participation in monthly Uro-oncology rounds is required and prior work experience is an asset.

Additionally, as a member of the Fraser Health medical staff, you will participate in the University of British Columbia (UBC) medical education program and are expected to apply for a clinical faculty appointment in the Division of Urology, UBC.

Compensation: Fee for Service, MOCAP - On Call Payments

Qualifications: CMPA, CPSBC Eligible, FRCSC Eligible

Location: Surrey Memorial Hospital

Interested candidates may submit a CV, letter of interest, and three reference letters or referee contact names to Fraser Health at [Urologist - Surrey Memorial Hospital](#) by no later than June 3, 2025. Anticipated start is August 1, 2025.

Fraser Health is the heart of health care for over two million people in Metro Vancouver and the Fraser Valley in British Columbia, Canada, on the traditional, ancestral and unceded lands of the Coast Salish and Nlaka'pamux Nations and is home to 32 First Nations within the Fraser Salish region.

People - those we care for and those who care for them - are at the heart of everything we do. Our hospital and community-based services are delivered by a team of 48,000+ staff, medical staff and volunteers.

We are committed to planetary health and value diversity in the work force. We strive to maintain an environment of respect, caring and trust. Fraser Health's hiring practices aspire to ensure all individuals are treated in an inclusive, equitable and culturally safe manner.

Together, we are the heart of health care.
