

Urologist Opportunity

If you're a Royal College certified Urologist with an independent CPSO licence, we're a perfect match—because that's exactly what we're looking for!

Our urology program was recently established, so lots of brand new equipment including access to endourologic equipment, Rezum and laser lithotripsy is on site.

Where on Earth is CKHA?

Located way down at the southern tip of Ontario (but only 3 hours from Toronto and 1 hour to Detroit), Chatham isn't called the banana belt of Canada for nothing. In 2021, Chatham-Kent was ranked #27 on Maclean's list of Best Communities in Canada, and we were featured as the #1 Growth City in 2022 on U-Haul's Top 25 Growth Cities in Canada list —so even if you don't trust us yet, they're a solid source of information.

The Schedule

You'll be in the Operating Room every Friday (2 GA days/month and 2 Cysto days/month). The OR runs on a 2-week schedule with Week 1 being your Cystoscopy Day and Week 2 being your General Anesthetic Day.

In addition to this OR time, you'll be allotted 1 Ambulatory Care day per week. Ambulatory Care time will be supported by an RN. Churning through a high volume of patients is easy with assistance from our experienced staff!

Our urology team is comprised of three members—Dr. Langley, Dr. Berto, and you! When Dr. Langley or Dr. Berto are away and unable to utilize their OR or Ambulatory Care time, you will have first dibs at these resources.

The remaining 3 days/week will be spent in your clinic. You can schedule yourself to be as busy as desired, allowing you to truly embrace the work/life balance you deserve.

Call will be shared equally amongst the department's three members. On top of your FFS billings, all call is eligible for \$497.74/day HOCC payments made directly to you. Feel free to explore the city or relax at home while on call—as long as you can get to the hospital within 20 minutes, you're free to roam.

But Wait...Show me the Money!

A \$25,000 recruitment incentive is currently being offered for the successful applicant of this position, which will be given in return for 5 years of service.

Don't forget-- the cost of living here is lower than most areas, so you get to keep more of what you earn.

What else?

- We're proudly linked to Schulich School of Medicine. Become an Adjunct Professor with Western University and teach the next generation of medical students and residents your craft.
- Passionate about surgical procedures? Surgical Assist and keep 100% of the FFS billings.
- Access to Green Shield Canada health and dental group benefits
- Complimentary EAP counseling for your entire immediate family via Family Service Kent
- VIP \$45/month hospital parking
- Relocation and spousal employment assistance. From finding housing, clinic space, childcare or even a soccer league for your kids, you won't be making this move alone.

What Are You Waiting For?

Email your CV to Jenn Chapple, Physician Recruitment Specialist at jchapple@ckha.on.ca and let's get the conversation started.
