

GUELPH GENERAL HOSPITAL RECRUITMENT ANNOUNCEMENT:

COMPREHENSIVE UROLOGIST

The Department of Surgery at the Guelph General Hospital is seeking a highly motivated, conscientious physician, with a passion for providing the highest quality of care, to join our urology team as a locum from December 2024 to July 1st 2025.

Guelph General Hospital is a comprehensive acute care community hospital, service the 200,000+ residents of Guelph and Wellington County in beautiful Southern Ontario. The City of Guelph has been ranked as one of the top places to live in Canada. The city is home to the University of Guelph and is known for its strong arts and cultural programming, riverside parks and green spaces.

Full practice takeover with GA and local endoscopy time weekly and possibility to cover rural hospital with its own endoscopy and Operating time.

The successful applicant will join a group of Guelph Urology Associates to provide elective and emergency urology care to Guelph and surrounding communities. Office overhead is very reasonable for our clinic that is located in a newer accessible office building. The applicant will be expected to share in on-call coverage to the hospital during the week and participate in regional call over the weekends (approximately 5 weekends per 12 months).

Applicants should demonstrate good clinical and surgical skills and be certified or eligible for certification by the Royal College of Physician and Surgeons of Canada and must be eligible for a full independent medical license in the Province of Ontario. Applicants with Postgraduate Fellowship experience in an area of sub-specialization will also be considered.

Interested applicants are to send a cover letter and CV by October 15th, 2024 to:
