The Voice of *Urologic Oncology* in Canada
Canadian Urological Association
 La voix de l'*uro-oncologie* au Canada

The CUA exists to provide the highest-quality education to its members and patients.

As **"The Voice of Urologic Oncology in Canada,"** the CUA develops education with a multidisciplinary focus. Our membership includes more than 90% of urologists in Canada, and our associate members include medical oncologists, radiation oncologists, nuclear medicine specialists, nurses, primary care physicians, and many more.

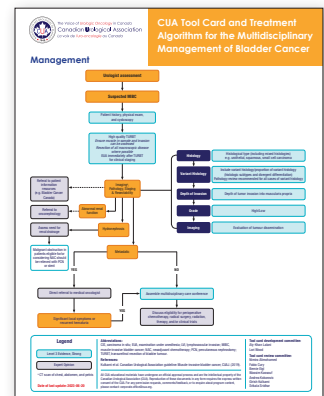

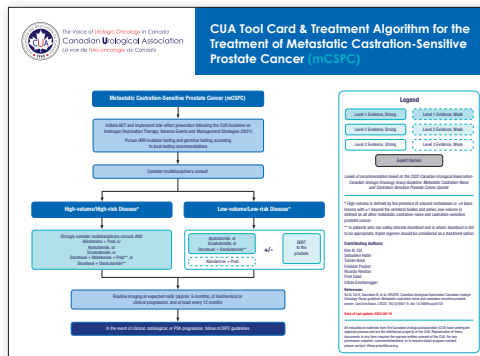

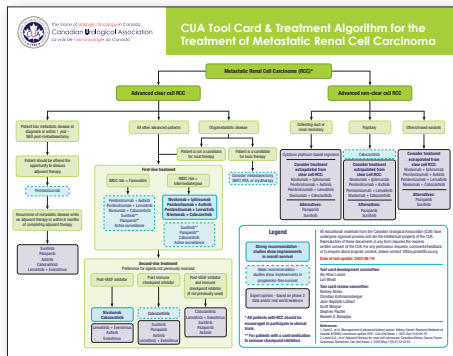

Genitourinary Medical Oncologists of Canada
 Oncologues G nituro-urinaires M dicaux du Canada

In partnership with the Genitourinary Medical Oncologists of Canada (GUMOC), the CUA houses the database of the academic GU medical oncologists and has been given the mandate to expand membership to engage and include more community medical oncologists.

Join us! Your FREE membership includes access to all our support tools in GU cancers, including:

Treatment algorithm tool cards

Treatment decision support tool

Drug access listing

Clinical trials listing

All available on **UROpedia**TM CANADA
CUA'S ONLINE EDUCATIONAL RESOURCE

As part of our mandate to increase the standard of care in Canada, we have automatically made you a member of GUMOC, which entitles you to FREE Associate Membership of the CUA.

With the completion of a few fields, CUA can track your learning for you and make it easy to log credits, which are automatically sent to the Royal College.
