September 12, 2020 • 9am-noon EDT

### Description

For the past eleven years, the Princess Margaret Cancer Centre (PMCC) has organized a regional conference for Uro-Oncologists to bridge the gap between the academic and community urologists.

**This year's meeting is going virtual!**

*Featuring:*

**Co-Chairs:** Tony Finelli & Munir Jamal

**Faculty:** Neil Fleshner, Rob Hamilton, Girish Kulkarni, Jason Lee, Nathan Perlis, Alex Zlotta

### Audience & Accreditation

We expect many community urologists from across Ontario, and potentially other provinces as this year's event is virtual. The event will focus on interactive case discussions with the PMCC faculty.

The meeting is being organized and accredited by the Canadian Urological Association (CUA) Office of Education and will be eligible for up to 6 hours of Section 1 credit as defined by the Maintenance and Certification Program of the Royal College of Physicians and Surgeons of Canada.
